A LONG QUIET RIVER

The calm and soothing Charente!

The calm of the waters of the Charente makes it the ideal place to learn about many nautical activities

SWIMMING AND WATER PONDS

When the sun is out, the swimming pools of Marsac and Vindelle offer two great sources of freshness. It hits 70 hectares, the site of the Saint-Yrieix lake consists of a sailing base, a swimming site, the green belt and playgrounds. Free access

THROUGHOUT THE TOUVRE The river faithful to its sources!

lewel of trout rivers, the Touvre offers its many treasures to families

he sources of the Toures, the second resurnance of Erance, are made up of the Dormant, the Bouillant, the font de Lussac and the Lèche which appea under the ruins of the castle.

This circuit is an invitation to stroll along the Touvre and in the old suburbs of Ruelle. Desks will tell you about the past and the present of the city. Flush out

In summer you will navigate between the small islands of La Touvre, taking advantage of a regular current which makes navigation particularly pleasant

TO FOULPOUGNE TO GOND-PONTOUVRE

Bordered by the Charente to the west and crossed by the Touvre, the Island of Foulpougne is part of the rich natural heritage of the town. The Foulpougne viaduct is a railway building on the Paris - Bordeaux line.

AT THE ORIGINS OF PAPER A remarkable story

The paper industry has been one of the specialties of Angoumois since the 16th century in particular, it gave birth to the famous "Vélin d'Angoulème".

THE PAPER MUSEUM
The buildings built on the river form a bridge between rue de Bordesux and ils Saint Cybard. The museum has been located since 1988 in the former Lacroix paper mills, which became the Joseph-BARDOU "Le Nil paper mills, closed in 1972

Entered into activity in 1539, the Moulin du Verger is today the last active heir of the papermaking tradition in Charente, it is a conservatory of know-how related to the artisanal production. of paper, which uses installations similar to those of the 18th
